**LETTER**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Further to the undersigned's conversation with Examiner Allen on June 30, 2010, attached hereto please find two (2) substitute specification pages to overcome concerns with the printing of these pages. Please replace these pages for the currently pending pages as the originals included characters that were considered incomplete by the printer. No changes to the wording of these pages has been made.

Should the Examiner feel there is any reason to further discuss this issue, he is invited to contact the undersigned at the number provided below.

If necessary, the Director is hereby authorized in this, concurrent, and future replies to charge any fees required during the pendency of the above-identified application or credit any overpayment to Deposit Account No. 02-2448.

Dated: July 2, 2010

Respectfully submitted,

By
